

KING CUTTER

By NSVI

nsvi.com

WARNING: ALWAYS WEAR EYE PROTECTION

- ◆ Revolutionary new product for trimming all types of masonry veneers
- ◆ Virtually zero dust so it can be used for inside or outside workstations
- ◆ Light weight design makes it perfect for uses in elevated work areas
- ◆ 100% solid steel construction
- ◆ Needs no source of power to operate
- ◆ Much faster than angle grinder or chop saw
- ◆ Always leave a natural edge on trimmed area
- ◆ Integrated handle makes it easy to carry
